# Guidebook for Cairnie

## Sightseeing

### Findlater Castle

27 locals recommend

Small ruined castle built into the cliff - right next to Sunnyside beach which is a secret treasure of a beach - its a little walk to the castle and beach but well worth it - be careful on the cliffs!

waffle cones and great fish and chips (including gluten free!).

## Strathisla Distillery

Seafield Avenue

21 locals recommend

Our closest distillery (10 minutes away) and the very first distillery owned by the Chivas brothers, founded in 1786 and recently restored, offering a variety of tours

Huntly or take a bike on the forest tracks - the forest is very big.

## Cullen

52 locals recommend

Amazing beach that goes on forever, incredible anique shops which are more like museums, gluten free fish and chips (and lots of other gluten free options) and of course the home of the Cullen Skink!
